Certificates

Students are awarded certificates at the end of every year that they attend. We are rewarding commitment and effort rather than ability as we feel every student has personal objectives within the course. Students who reach 3 years or more are then awarded medals every year.

During our technique term, students concentrate on building and improving their skills, exploring many areas of the performing arts. During this term, parents will be given a written report on their child's progress. The school manager is also available for ongoing verbal feedback.

Performances

Jigsaw Arts run three terms per year. Twice a year family and friends will be invited to watch a presentation or show combining dance, drama and singing. This is an excellent opportunity for the students to put their performance skills into practice.

Jigsaw Arts devises performances so that all students are included. Each student will be individually challenged as well as being encouraged to work as part of a

Managers
Each school has its own manager who is a key member of the Jigsaw Arts team. The manager coordinates teachers, students and parents to ensure we have a safe, professional and smooth-running school.

Jigsaw Arts managers have a teaching and/or a performing background. In addition to their individual experience, all managers are trained by Jigsaw to provide each school with a first-class consistent service. In larger schools an assistant is also provided.

Teachers
The students are coached by fully trained tutors who are well organised, energetic and passionate about teaching.

Jigsaw Arts takes every care when selecting new teachers for its schools. They all have experience in teaching or a formal qualification, with many still working professionally in the performing arts industry. All teachers have a DBS check and attend Jigsaw Arts teacher training sessions to provide consistent tutoring across our schools.

All schools are regularly inspected by Jigsaw Arts' head office management team, to ensure that the quality of teaching is consistent.

Discipline policy
Jigsaw Arts requires all students to behave in a disciplined and professional manner. Students are expected to be punctual and committed to the course to achieve their full potential.

Students who have the desire to succeed in the performing arts industry need to learn the importance of self-discipline and hard work. Jigsaw Arts will remove from classes any student whose behaviour is deemed inappropriate, disrespectful or disruptive to other students and teachers.

Birthday Picture

What does Jigsaw provide?
One of our specialist performing arts teachers will take the children on an hour's fun filled adventure through dance, singing and drama activities based on your child's favourite theme! Past themes have included 'Princesses and Pirates', 'Frozen', 'Superheroes', 'Under the Sea' and many more. You pick the theme and our performing arts teacher will ensure that your child and their friends have a wonderful and memorable day. The sessions will run much like our Performing Arts Schools but with the added excitement of the entire party being designed for the birthday child and their guests.

We are more than happy to discuss any ideas that you may have for the content or theme in the build-up to the big day and are happy to suggest activities/games which can be incorporated into the themed party.

All out tutors are DBS checked and have had in-house training. Activities will be appropriate for the age of the birthday child so please bear this in mind when inviting friends and family. These activities are suitable for a maximum of 20 children. We are unable to accommodate a larger group as we want to ensure that every child has a memorable experience.

What do I need to provide?
A clear space in your home or a small hall. We will also need a power point. If you would like to include any props (pass the parcel etc) then please provide these also. Leave the rest to us!

Costs and booking
£120 for an hour for a maximum of 20 children.

For larger parties of 20 students or more please enquire.

A £60 deposit is payable in advance to secure your booking.

Deposits are non-refundable. Should you wish to cancel your booking, 72 hours notice is required. If the appropriate notice has not been given you will be charged 50% of the balance

Our Story

Nicola Lander
Company Director/Founder

As a child I attended a weekend performing arts school in Bristol (my home town) and this was my inspiration. I knew then that I wanted to spend my life in the performing arts, and later attended Mountview Theatre School. Following my graduation I went on to act professionally for several years in theatre and television, both of which I enjoyed immensely. My training had transformed my life and inspired me to set up Jigsaw Arts in 1995.

Over the years, my belief in the benefits of performing arts in education has been proved time and time again. The Performing Arts arena fully complements the students' school lives by giving them the confidence and social skills to achieve their full potential in what is now a very competitive world. Now I have my own two children I fully understand the benefits first hand.

The performing arts have something to offer everyone, and we find that students attend Jigsaw Arts for a variety of reasons. Some are very ambitious and wish to work professionally in the business, and it gives me great pleasure to watch children unlock their natural talents and to guide them into their chosen career. It's also heart warming to see an initially shy student find the courage to stand up on stage and deliver lines at the end of term show. Parents have told me that their children had shown greater confidence and become more socially integrated as a direct result of the course. For all our students, Jigsaw Arts is enormous fun and provides a great opportunity to make new friends.

If you've not been involved in anything like the performing arts before, we offer a two-week trial to all new students. So come along and see for yourself – I hope you enjoy Jigsaw Performing Arts School.

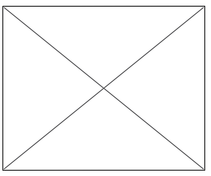
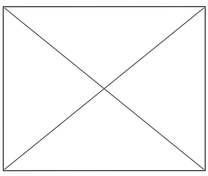
Key People

Hayley
Franchise Support Manager



After training at Bird College and gaining a degree in Dance and Theatre Performance, I enjoyed a career as a dancer and explored performing in both the UK and across Europe. I then moved to a career teaching dance. I am a qualified ISTD dance teacher in classical ballet, tap and modern theatre, and also teach jazz and tap to Btec level students at West Herts College in Watford.

My Jigsaw journey began in 2011 when I started as a dance teacher working across a number of Jigsaw schools. I later became the manager of Jigsaw Stevenage and then Harrow, before becoming the franchisee of Jigsaw Harrow in 2019. I love running Jigsaw Harrow (which both of my young daughters attend!) alongside working as a Franchise Support Manager. Being a part of the Jigsaw Head Office team is a rewarding job, I enjoy supporting other franchisees and helping their businesses grow and thrive.

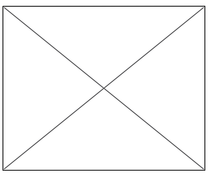


Katie
Franchise Support Manager

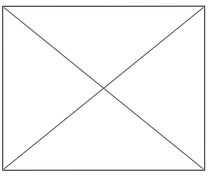
I grew up in Cumbria where I started the Performing Arts at the age of 6 to gain more confidence. I soon caught the bug for it and at 18 I left school to train at Paul Mcartney's Liverpool Institute for The Performing Arts.

In 2012 I began teaching at 7 different Jigsaw Arts Schools. I have now opened 2 Jigsaw Schools, Jigsaw Watford and Jigsaw Bushey and in 2019 I took over Jigsaw Hendon. I have loved every moment of my Jigsaw journey. As well as being a Jigsaw Franchisee and looking after my young family, I love being part of the Head Office Team to support our growing Jigsaw network.

Seema
Head Office Administrator and Personal Assistant



I graduated from Middlesex University with a BA Hons in Business Studies. I went on to work in investment banking and the financial industry. I have a long history of business administration experience and more recently, I have worked in a combination of primary and secondary schools with varied and diverse settings. I am really enjoying my role of Administrator and PA to the Company Director at Jigsaw Arts and I'm excited to bring my organisational experience and communication skills to support Nicola and the team at head office. When I'm not at work, I enjoy walking and watching my two children play cricket.

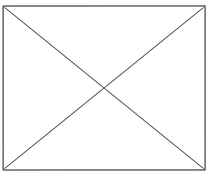


Aoife
Social Media Manager

Jigsaw has always been a huge part of my life. I attended Jigsaw Hendon for 10 years and joined the Youth Theatre from ages 16 – 18. In sixth form I chose to carry out my work experience with Jigsaw, where I helped out in the Head Office as well as assisting a class at a weekend school. I have always resonated with the Jigsaw Ethos, and I had certainly found my place to belong, so when I was offered a permanent place as a teaching assistant I was overjoyed. Since then, I have taught at many Jigsaw schools and had the privilege of watching my students progress throughout the years.

At University, I gained a degree in Film and TV and have used my knowledge and skills to be creatively involved at Jigsaw. Directing and filming videos, editing the 'Jigsaw At Home' videos, and I now run the Jigsaw Arts social media accounts. I love representing Jigsaw's story through film and obtaining the community we have with our Jigsaw Family and Friends online.

Lamya
Head Office Accountant



I have been in the accounting field for over 20 years and have extensive experience in a vast range of industries. I particularly enjoy improving and implementing new processes to make financial operations more efficient with the added benefits of cost savings to the business. I am also a great fan of sports and have a passion for weight lifting and endurance training.

Jigsaw Arts Management

Jigsaw Arts Management is our theatrical agency. It represents children and young people from Jigsaw Performing Arts schools. We give our students the chance to audition for professional work, using the strong links between Jigsaw and the performing arts industry.

If you are interested in joining the agency, speak to your Jigsaw school manager at the weekend or email Emily on agency@jigsaw-arts.co.uk.

We're proud to announce that some of our young stars are already doing great things! Here's what a small selection of them have been up to!

Become A Jigsaw Franchisee

The business

We currently run weekend performing arts schools for students aged three to eighteen years. All students take part in dance, drama and singing classes. Alongside these schools we offer themed holiday workshops and bespoke birthday parties.

The opportunity

With the success of the existing schools, Jigsaw Performing Arts is excited to be able to offer franchise opportunities in new areas to give more children a chance to experience the benefits of Jigsaw!

You can be a part of our success and enjoy the rewards of running your own fulfilling business. You'll be investing in your future and the future of the children who attend your school, teaching them skills for life. And what's more, it is also lots of fun!

The support

Through our training and ongoing support we will assist you in all aspects of running your school and meeting our high standards. Jigsaw has the experience and knowledge in order to assist you in gaining new customers and, importantly, retaining your current ones. We have tried and tested marketing and administrative systems that ease the day to day running of the business.

Full training is led by our founder Nicola Lander who set up the business over 25 years ago and personally ensures that each new Jigsaw school meets our high standards of customer care and brilliant, fun and engaging classes.

Find out more about our head office team HERE

You will be training on every aspect of the business including but not limited to:

· Day to day running of our school
· Finding the perfect venue to hold our classes
· Day to day administration of your school
· Staff recruitment and management
· Marketing your school including full social media overview
· Policies including health and safety, GDPR and child protection
· Guidance on legal requirements and accounting for your business
· Operations manual and use of our IT systems

Our ongoing support includes access to the following

· Launch support from an experienced Jigsaw franchisee and our head office team
· Access to our very evolving operations manual.
· Ongoing site visits
· Email and telephone meetings
· Top up training on improvements to the business model
· Annual reviews
· Annual general meetings

The benefits of franchising

· Proven business model – over 25 years of experience
· Strong brand association
· Strong marketing support
· Professional business support by a dedicated head office team.
· Ongoing training and mentoring
· A ready-made business with quick and easy set up due to our experience
· Resale value

We believe the key to a successful Jigsaw school is finding the right people. We understand you need time before you make any commitment so there is no hard sell and never any obligation to proceed once you come and meet with us. Our initial meetings are just a way for you to gather as much information as possible.

We look forward to discussing the opportunity and helping you to decide if our business is right for you.
